

ATTENTION DRIVERS!

The Shell Oil Company recently issued a warning after three incidents in which mobile phones (cell phones) ignited fumes during fueling operations. In the first case, the phone was placed on the car's trunk lid during fueling; it rang and the ensuing fire destroyed the car and the gasoline pump. In the second, an individual suffered severe burns to their face when fumes ignited as they answered a call while refueling their car.

And in the third, an individual suffered burns to the thigh and groin as fumes ignited when the phone, which was in their pocket, rang while they were fueling their car. You should know that: Mobile Phones can ignite fuel or fumes. Mobile phones that light up when switched on or when they ring release enough energy to provide a spark for ignition.

Mobile phones should not be used in filling stations, or when fueling lawn mowers, boat, etc. Mobile phones should not be used, or should be turned off, around other materials that generate flammable or explosive fumes or dust, (i.e. solvents, chemicals, gases, grain dust, etc.) To sum it up, here are the: Four Rules for Safe Refueling: 1) Turn off engine 2) Don't smoke 3) Don't use your cell phone - leave it inside the vehicle or turn it off 4) Don't re-enter your vehicle during fueling.

Bob Renkes of Petroleum Equipment Institute is working on a campaign to try and make people aware of fires as a result of "static electricity" at gas pumps. His company has researched 150 cases of these fires. His results were very surprising: 1) Out of 150 cases, almost all of them were women. 2) Almost all cases involved the person getting back in their vehicle while the nozzle was still pumping gas. When finished, they went back to pull the nozzle out and the fire started, as a result of static. 3) Most had on rubber-soled shoes. 4) Most men never get back in their vehicle until completely finished. This is why they are seldom involved in these types of fires. 5) Don't ever use cell phones when pumping gas 6) It is the vapors that come out of the gas that cause the fire, when connected with static charges. 7) There were 29 fires where the vehicle was re-entered and the nozzle was touched during refueling from a variety of makes and models. Some resulted in extensive damage to the vehicle, to the station, and to the customer. 8) Seventeen fires occurred before, during or immediately after the gas cap was removed and before fueling began. Mr. Renkes stresses to NEVER get back into your vehicle while filling it with gas.

If you absolutely HAVE to get in your vehicle while the gas is pumping, make sure you get out, close the door TOUCHING THE METAL, before you ever pull the nozzle out. This way the static from your body will be discharged before you ever remove the nozzle. As I mentioned earlier, The Petroleum Equipment Institute, along with several other companies now, are really trying to make the public aware of this danger. You can find out more information by going to <http://www.pei.org/>.

May is National Physical Fitness and Sports Month

...Get Moving Today!

What is May Month? It's a celebration of the joy and benefits of the active lifestyle. Since 1983, the nation has observed National Physical Fitness and Sports Month during May. Proclaiming a special month to promote physical activity and fitness is a way to offer everyone a special incentive to adopt and maintain an active lifestyle for health and greater productivity as well as happiness and fun. May Month is for organizations in the public and private sector, as well as for individuals, families, employees in the workplace, groups and organizations, and communities.

Why May? Spring is in full bloom - it's nature's time for renewal. Inspired by the season's changes, we too are encouraged to embark on new beginnings. With summer just ahead, fun and new adventures beckon at the beach and in the mountains and forests, at secluded lakes, rivers and streams, and at the pool, the tennis courts, the golf course, the playing field, and the track. All offer physical activity and fitness opportunities for you and your family, friends, co-workers, organizations and groups, and communities. To make the most of the magnificent outdoors and recreation opportunities of summer, we need to be ready to take part in the fun.

Continued on Page 2. . .

Send A Special Lady a Wish For a Happy and Bright,

Mother's Day

Give us a call at 252-338-1919, or email at freepress@ecamden.cc to send your wish!

PUBLIC INFORMATION MEETING

CAMDEN VILLAGE SEWER PROJECT

A public information meeting will be held in the Camden County Courtroom, Courthouse Complex, 117 N. NC 343, Camden, NC at 7:00 p.m. on Tuesday, May 11, 2004 in order to review the Camden Village Sewer Project, help people understand the sewer treatment facility and process and answer any questions.

For more information, contact Randell Woodruff, County Manager at 252-338-1919 or rwoodruff@ecamden.cc.

Fitness Cont'd.

We challenge you to bring this message to your family, work-place, organization, and community: commit now to a program of regular physical activity during May Month. If you move for 30 minutes a day, every day this month, you'll be on your way to an active summer of fun and fitness; children need to be active for 60 minutes a day—running, skating, climbing, whatever keeps them moving. In just a few weeks, you can build up to a level of physical activity fitness that will let you enjoy hiking, swimming, running, team sports, and many other physical activities this summer. Everyone benefits from regular physical activity—babies, children, adults, the elderly, people with disabilities, and people with serious health conditions.

To help you and your family, group or community, commit to a physical activity / fitness program for May Month, the President's Council on Physical Fitness and Sports offers many resources available at http://www.fitness.gov/may_month_observances.html.

From the Desk Of The Honorable Peggy C. Kight Register of Deeds

Our small office has added Mylar Plat Cabinet Number Five. We have tried to accommodate the public with more space by rearranging the office and we trust this will be of assistance.

The population explosion in Camden County, the increased number of subdivision, and the public realization of the importance of recording property surveys has greatly increased the demand for Mylar plats.

The Review Officer has to approve a plat or a map that is included with a deed before the register can record it. The acceptable standard for recording a plat, is that it be on Mylar paper, 18" by 24".

At the time of recording, the Register will assign a plat cabinet and slide number for each plat, as well as a time label and a recording stamp for reference purposes. The recording fee is \$21.00 per plat sheet. A map filed with a deed is usually on legal size paper, so the \$3.00 additional page fee is charged.

The Mylar plats are indexed with the property owners name and then mailed for laminating. The returned laminated plats are assembled and filed in the plat cabinet. For easy public reference, the Register has a separate alphabetical book index of the recorded plats.

Check out our new website! www.camdenrod.com
Land records are available from May 1999, if you know your deed book, and page number.

The Order of the Eastern Star Chapter of South Mills will be holding a "Mother's Day" Bake Sale at South Mills Supermarket on May 8th from 8:00 am until. If you have any questions please contact Lynn Burnham at 771-5558.

Albemarle Smart Start Partnership

Albemarle Smart Start Partnership is now forming Community Playgroups in Camden County. These Community Playgroups will be held at NCDC (located next to Watermark). Community Playgroups is a free service offered to families with children ages 0-4. Playgroups consist of several preschool children and their parent, grandparent or other caregiver meeting on a regular basis to play and learn together. Activities are planned by our staff including story time and art. Playgroups are designed to give young children, who are not in another childcare or preschool program, the opportunity to socialize with other children in a safe, developmentally appropriate and fun environment. Playgroups also offer stay-at-home parents a chance to meet other parents and perhaps foster friendships.

In our Community Playgroups, we show parents ways they can each their children through play and hands-on experiences. We will meet once a week for two hours and a nourishing snack will be provided.

For more information regarding "Cooperative Playgroups", please contact Elaine Spellman at 252-333-1233 x 109.

Job Opportunity

Guidance Program Administrator Position. The Camden County Sheriff's Office is seeking applications for a grant funded Guidance Program Administrator (GPA). Position available immediately. **Applicants must submit a full resume to the Camden County Sheriff's Office.** The GPA will work with at-risk youths in programs such as guided growth—after school, weekend, and OSS day programs, teen court, and restitution/community service; grant manager for Juvenile Crime Prevention Committee in Camden County. Stop by for full job description. Must have 4-Year degree in Human Services or Criminal Justice and Basic Law. Enforcement Training is preferred, but not required. Salary Range - \$23,009 - \$34,512. Closing date will be May 7, 2004. Contact Lillie Williams at the Camden County Sheriff's Office for more information. 252-338-1919, ext. 240.

Spaces Still Available For 4-H Summer Camp

Camden County 4-H is looking for youth ages 8 to 14 to go to camp for a week! Camden County 4-H will be camping at Betsy-Jeff Penn 4-H Center the week of July 4 - 9, 2004. Youth will be able to stay in cabins, meet new friends, canoe, horseback riding, swimming, hiking, and many other cool adventures. We will be camping with the following counties: Pasquotank, Washington, Tyrrell, Hyde, Johnston, Wilson, Montgomery, Columbus, Lee and Polk. The total cost of camp is \$300, you will be expected to pay a \$100 non-refundable deposit up front and from there we are willing to work out payment plans. There is a mandatory camp orientation on Monday, June 21st at which point the remaining balance will be due. For more information about sending your child to camp, please contact Danelle Barco at 338-1919, ext. 229.

COOK'S CORNER

Springtime Animals

Peanut Butter Bumble Bee's

<http://www.kraftfoods.com>

Ingredients

- 1/4 Cup (1/2 stick) butter or margarine, softened
- 1 Cup Creamy Peanut Butter
- 1 Cup Powdered Sugar
- 1-1/2 Cups Honey Maid Graham Cracker Crumbs or finely crushed Honey Maid Honey Grahams
- 1 Square Baker's Semi-Sweet Baking Chocolate
- Planter's Sliced Almonds, toasted

Directions

1. Beat butter, peanut butter, and powdered sugar in a large bowl with electric mixer on medium speed until well blended. Add cracker crumbs; mix well.
2. Shape tablespoonful of butter mixture into a 1-inch oval to resemble body of bumble bee. Repeat with remaining butter mixture for additional "bees."
3. Melt chocolate as directed on package. Drizzle in lines on top of bees to resemble stripes. Insert almonds into both sides of each body for "wings."

Oreo Peanut Butter Frogs

Ingredients

- 2 Squares Baker's Semi-Sweet Baking Chocolate
- 2 Tbsp. Butter or Margarine
- 12 Oreo Chocolate Sandwich Cookies
- 3 Tbsp. Creamy Peanut Butter
- 24 Miniature Pretzel Twists
- 24 Candy-Coated Milk Chocolate Candies

Directions

1. Place chocolate and butter in saucepan; cook over low heat until melted, stirring frequently; set aside.
2. Spread bottom of each cookie with 1 tsp. peanut butter; dip into melted chocolate mixture. Immediately press 2 pretzel twists on chocolate for "frog legs" with wide part of pretzels facing outward. Place, pretzel-side down, on wax-paper-lined cookie sheet.
3. Attach candies for "eyes" using remaining chocolate mixture. Let stand until chocolate is set.
